Trade price / SKU	*[NEED: trade price, SKU/UPC]*

Construction & installation

Item	Detail
Surface	High-gloss acrylic; fiberglass reinforced
Back ledge	1¼", steel-rod reinforced to carry the tile wall; a ¼" shim removes the ledge
Bottom	Flat, solid, reinforced bottom (no feet)
Waste & overflow	Linear overflow (collector welded in place), 1.5 x 1.25 adaptor, drain with toe-touch pop-up: all included
Subfloor	Self-supporting; smooth subfloor, level both ways. Structolite recommended on uneven/older floors *[PENDING: wording]*
Flange	Nail or screw-and-washer at top of flange; screws through the flange void the warranty
Warranty	Limited lifetime (original residential buyer); 1 yr commercial; accessories 1 yr parts

Dimensions in inches from Brak Tub cut sheets; product depth notes from braktub.com/product/perfectub. Installation notes summarized from the Perfectub Installation Instructions (BKTB-100 & BKTB-300). Always follow the full instructions and local codes. *[PENDING]* items need Brak Tub confirmation before release.
